

Welcome to DASSAN19!

Welcome to the second **Digital Arts Services Symposium 2019: All Digits on Deck**. It has been an enjoyable journey bringing DASSAN19 to life as a follow-up to the first edition presented as a pilot project in Toronto and Ottawa in 2017 with the support of Ontario Arts Council, CAPACOA and Heliconian Club of Toronto. We are very excited to see what will come out of this year's Symposium. We hope you will be inspired by the many personal stories and critical reflections shared by the more than 50 speakers and facilitators we have invited from across Canada, the USA, UK, and Australia. With delegates in attendance from nine Canadian provinces and territories, we also hope you will foster many lasting new connections and friendships that will help to spur your digital journeys forward. Thank you for joining us!
